

<b>POWERSOUND OFFERS</b>		<b>2018 HOLIDAY PRICELIST</b>	
		<b>*UNTIL STOCKS LAST* - VALID UNTIL 30th of DEC 2018</b>	
		<b>NORMAL PRICE</b>	<b>HOLIDAY PRICE</b>
<p><b>FOCAL DIMENSION SOUNDBAR</b></p> <p>Dimension is a soundbar with exceptional acoustic qualities perfectly adapted to flat screens. R&amp;D teams offer you a soundbar capable of restoring a quality sound with clear and natural-sounding dialogues thanks to five ultra-flat patented speaker drivers. Dimension is the response to the desire of flat screen's owners for powerful sound in a discreet and perfectly integrated audio system. Finally offer to your images the sound and emotions they deserve!</p> <p>When a traditional soundbar depends on the room spatialisation, Dimension offers an immersive 5.1 sound with realistic and precise sound effects not only in the high frequencies.</p> <p>With a soundstage of 4m and a maximum power of 450W, Dimension performances are equivalent to a very good high-fidelity audio system and are perfect for rooms even measuring over 50m<sup>2</sup>.</p>		€ 1,150.00	€ 859.00
<p><b>FOCAL DIMENSION SUBWOOFER</b></p> <p>Suitable for all flat screens Recommended 50" (127cm) and over Zero Vibration design: two elliptical woofers in push-push configuration, 150W.</p>		€ 475.00	€ 349.00
<p><b>FOCAL CUB EVO</b></p> <p>The Cub Evo subwoofer recalls the same design codes as our Hi-Fi subwoofers in a "lifestyle" product. Equipped with an 8" speaker driver and a 200W Class D amplifier, it's characterised by its MDF structure and its Matt Black finish. In order to meet the requirements imposed by the listening room, Cub Evo has all the typical traits of Focal subwoofers: the crossover, the phase inverter, as well as the ON/OFF auto power function and the LFE input. Thanks to the 8" Polyflex speaker driver and to its Class D amplifier, Cub Evo delivers powerful, controlled bass with a frequency response which extends as low as 35Hz. Cub Evo is the ideal companion for the Sib Evo system, and for combining with the satellites and loudspeakers equipped with Dolby Atmos®. Cub Evo is also perfectly suitable for all kinds of Home Cinema systems.</p>		€ 499.00	€ 369.00
<p><b>FOCAL SUB AIR (Wireless Subwoofer for DIMENSION)</b></p> <p>The intense and deep sound of the Sub Air complements all 5.1 sound systems. Sub Air wireless technology makes integration into different environments, removing all constraints that come with cables and wires. The flat and compact design allows you to fit it into all kinds of spaces. Easy to use and install, the Sub Air turns on at your command and turns itself off when no more sound is being produced.</p> <p>Its Wi-Fi radio connectivity puts a permanent end to the eternal question of where to snake the cables. A discreet emitter is connected to the rear of the amplifier and makes cabling entirely unnecessary.</p>		€ 700.00	€ 529.00
<p><b>Focal XS 2.1</b> <b>Dynamic and Powerful Studio quality Focal multimedia sound.</b> Three amplifiers are integrated inside the subwoofer, 70W RMS for the bass, 2x30W RMS for the speakers. To be placed under your desk, on the floor. A set-up of the bass level permits to adapt to the room acoustics and proportions. Then, you can forget about it. The volume adjustment can be made on the dock or with the remote control. <b>AC recharging and synchronization.</b> Compatible with Mac OS X, Windows and Linux</p>		€ 550.00	€ 399.00
<p><b>CABASSE STREAM BAR</b></p> <p>Either installed or simply set beneath your TV screen, the Stream BAR catches the eye through its discrete, elegant forms and material. Connected to its subwoofer through an automatic wireless connection, the Stream BAR surprises and charms the ear through its acoustic performance in high resolution video or audio streaming.</p> <ul style="list-style-type: none"> <li>- Wireless Streaming (Dedicated App)</li> <li>- Wireless Subwoofer (Included) <ul style="list-style-type: none"> <li>- Bluetooth</li> <li>- Wifi</li> <li>- DLNA</li> <li>- USB</li> </ul> </li> </ul>		€ 1,200.00	€ 899.00

<p><b>CABASSE STREAM BASE</b></p> <p>Pioneer and specialist of active multi-way Hi-Fi and pro loudspeaker systems for 60 years, Cabasse has designed for Stream BASE a stereo solution involving 4 active ways per channel. The active filtering of the Base ensures a spectacular sound quality by individually controlling the dome tweeter, the midrange and the low-midrange units of each channel. In home theater mode, the Cabasse holographic sound processing enlarges the width and the depth of the sound stage, while dialogs remain clear and effects keep on being forceful. The low frequency channel fitted with a long throw 13 cm woofer firing downwards at 360° brings substance and realism to the special sound effects.</p> <p>- Wireless Streaming (Dedicated App) - Built in Subwoofer (Included)</p>		<p>€ 599.00</p>	<p>€ 479.00</p>												
<p><b>DOME 5.1 - With Dome Subwoofer</b></p> <p>Dôme is a high-end system, made in France, focusing on miniaturization as much as on high-tech. Dôme's sleek and timeless design makes this 2-way loudspeaker suitable for all living spaces whether on a table, mounted to a wall or an optional stand. The lacquered finish gives Dôme a trendy look which blends in perfectly with a flat-panel display. Thanks to its near-unlimited power handling, Dôme produces a rich and detailed sound.</p> <p>This subwoofer is the logical follow-up to the Dôme concept. When used with Dôme satellite speakers, it offers a sound comparable to that of much larger and bulkier speakers! To achieve this level of sound, the Dôme Subwoofer uses the very best in loudspeaker technology and a hybrid digital/analogue BASH® amplifier.</p> <p>This pack is composed with 5 Dôme polyglass loudspeakers and Dôme subwoofer.</p>		<table border="1"> <tr><th colspan="2">System</th></tr> <tr><td>€ 1,750.00</td><td>€ 1,299.00</td></tr> <tr><th colspan="2">Dome 1.0 Satellite</th></tr> <tr><td>€ 299.00</td><td>€ 219.00</td></tr> <tr><th colspan="2">Dome Subwoofer</th></tr> <tr><td>€ 649.00</td><td>€ 499.00</td></tr> </table>		System		€ 1,750.00	€ 1,299.00	Dome 1.0 Satellite		€ 299.00	€ 219.00	Dome Subwoofer		€ 649.00	€ 499.00

<p><b>SIB EVO 5.1 System</b></p> <p>FIVE SIB EVO SATELLITES AND ONE CUB EVO SUBWOOFER</p> <p>This Sib Evo 5.1 pack of Home Cinema loudspeakers will bring out the best of your stereo music, and will arouse the greatest sensations when watching your films. The power of the satellite loudspeakers is very impressive for their small size. The audio track will perfectly render the music, as well as the dialogue and the full intensity of the action or the emotion. All the key elements of the film are conveyed with extreme clarity and pitch-perfect precision, giving you the impression of being right at the heart of the action. Sib Evo is the new generation of Sib &amp; Co loudspeakers, a reference in the world of Home Cinema. You'll be sure to find the ideal solution for a complete home audio set-up which is both structured and coherent. The Sib Evo system can be combined with the compact yet powerful Cub Evo, which delivers sound equivalent to much larger subwoofers. Combined with the Cub Evo subwoofer in a 5.1 pack, it can also be installed with the Sib Evo Dolby Atmos®, giving you a Home Cinema system with a completely new dimension. A revolution for your films! This pack is ideal for rooms measuring 100ft² to 540ft² (10 to 50m²), and it will blend in perfectly with your interior, giving it a very stylish touch.</p>		<table border="1"> <tr><th colspan="2">System</th></tr> <tr><td>€ 1,050.00</td><td>€ 789.00</td></tr> <tr><th colspan="2">SIB Evo</th></tr> <tr><td>€ 145.00</td><td>€ 109.00</td></tr> <tr><th colspan="2">CUB Evo Subwoofer</th></tr> <tr><td>€ 499.00</td><td>€ 369.00</td></tr> </table>		System		€ 1,050.00	€ 789.00	SIB Evo		€ 145.00	€ 109.00	CUB Evo Subwoofer		€ 499.00	€ 369.00

Specifications																																										
Description / type	2-way coaxial for ceiling mount																																									
Impedance	4 ohm																																									
Sensitivity	90 dB (1W/1m)																																									
Frequency range	50 - 18 000 Hz																																									
Recommended amplifier	20 - 90 Watt																																									
Tweeter	16 mm mylar																																									
Woofer size	6,5" (165 mm)																																									
Cone material	Polypropylene with rubber surround																																									
Outer dimensions	234 mm (9,21")																																									
Cutout dimensions	205 mm / 8,07"																																									
Mounting depth	87 mm / 3,42"																																									
Baffle thickness	10-33 mm																																									
Off-axis angle	+ - 45 degrees in distributed audio systems																																									
Weight	1,5 kg / 3,3 lbs																																									
Finish / colour	White, RAL 9003																																									
EAN Bar code	7331644624202																																									
€ 75.00	€ 59.00
